THE SOUTH AFRICAN LABOUR LAW REPORTS' 34TH ANNUAL SEMINAR

TEST DRIVE

Every year, hundreds of delegates attend the *SALLR* seminars and many of these delegates do so year after year. The result is that the *SALLR* team has extended the circuit to include nine venues where delegates will be entertained during a three-week period. We firmly believe that the increasing number of seminar delegates and the continual growing reputation of the *SALLR* seminar is partly due to the quality of our products and partly due to the quality of our presentations – not to mention our unsurpassed after-seminar care.

For those of you who haven't attended an *SALLR* seminar, we can't wait to show you what we've got! We have developed a programme that would allow you to **TEST DRIVE** some of our products we've utilised over the past two years, for free and with no obligation to buy, but we are certain that, once you've tasted the real thing, we will see you at one of our venues later during the year.

By simply completing the **TEST DRIVE** registration form and forwarding same to Taryn Frank on pa@vanzyrudd.co.za, you will receive the following:

- an electronic copy of the *SALLR*'s workbooks utilised by the *SALLR* team during the past two years
- a document setting out the various questions identified in respect of the issues covered in the said workbooks, with cross-references to the relevant pages of such workbooks
- access to the *SALLR* website for a four-week trial period

On receipt of your **TEST DRIVE** registration form, Taryn Frank will issue you with your unique user ID and password and this will enable you to, for the said trial period:

- gain access to **BRAINFOOD**, the regular *SALLR* newsletter
- track the latest case law and statutory developments
- peruse the awards, rulings and judgments reported by the *SALLR* team on a monthly basis, etc
