

# SALLR APP HELP FILE

## 1. INTRODUCTION

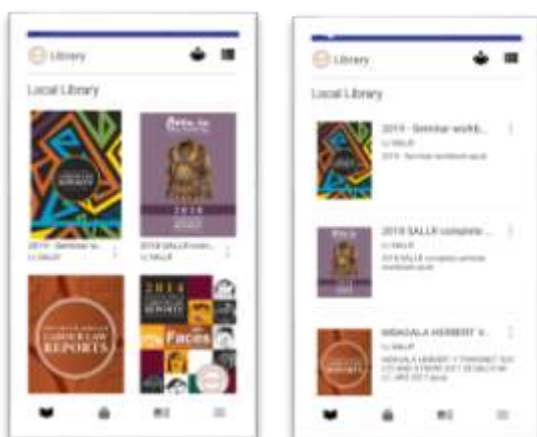

The SALLR mobile application was developed to enable professionals as well as the public to have remote access via their Android mobile devices to the following:

- The South African Labour Law Reports judgments
- CCMA rulings and awards
- Bargaining Council rulings and awards
- Current publications, i.e. CCMA Rules including rules of various courts, 4<sup>th</sup> edition

The **CCMA Rules including rules of the various courts** is now available electronically. More than just a publication – your complete, one-stop library dealing with the CCMA, labour and labour appeal court rules. The publication, firstly, consists of a detailed analysis of all the CCMA rules. Secondly, it also deals with some of the most important legal issues governing the rules regulating conduct in the labour and labour appeals courts. Lastly, similar and appropriate rules of the uniform rules of court, as well as the rules of the magistrates' courts, also receive extensive attention.
